## Appendix 1

### 1. Our responsibilities:

- 1.1. We will use our professional skills to undertake the work you require of us. This work will be performed in accordance with Service Engagement Standard No.2 Compilation of Financial Information issued by Chartered Accountants Australia and New Zealand (CAANZ).
- 1.2. Annual financial statements for applicable reporting entities will be prepared in accordance with the Financial Reporting Act 2013 and other applicable legislation. These are general purpose reports and must be prepared in accordance with generally accepted accounting practice in New Zealand. If necessary, additional explanations will be added to ensure that a true and fair view is given.
- 1.3. Where generally accepted accounting practice reporting does not apply, financial statements will be prepared in accordance with the applicable legislation. For most “non-large” companies and partnerships, together with trusts, sole traders and other entities (excluding registered charities) where the format of financial statements is not dictated by legislation, we will prepare special purpose annual financial statements according to the principles contained in the Tax Administration (Financial Statements) Order 2014. Periodic accounts for management purposes are not governed by legislation and will be prepared on the basis requested by management.
- 1.4. The general basis of accounting used to compile the financial statements will be described in the notes to the financial statements together with any significant departures from that basis. Significant departures will also be referred to in our compilation report (see 1.7 below).
- 1.5. We will inform you of any suspicions of omissions or irregularities that come to our notice through the course of our engagement but this is not our primary function or responsibility.
- 1.6. We will provide a compilation report on all annual financial statements that include a balance sheet. An example of a typical report can be provided to you on request.
- 1.7. We retain legal ownership of working papers prepared by us.
- 1.8. We will not conduct an audit, review or any other independent verification work.
- 1.9. Consequently, we will not express any kind of opinion on the accuracy of the material we compile or its suitability for any purpose.
- 1.10. We will not necessarily establish or maintain independence. It is not a professional requirement to be independent before carrying out compilation work of this nature. However, any other relationship will be described in our compilation report.
- 1.11. We will not accept liability in negligence or for any other reason to anyone but you and your enterprises listed at the head of the main letter. A disclaimer to this effect will be included in our compilation report.
- 1.12. We will explain or redraft any element of these terms to ensure that you understand them and think they are reasonable.

### 2. Your responsibilities

- 2.1. You remain responsible for the reliability, accuracy and completeness of the financial information compiled, including tax returns. You will delegate certain tasks to us from time to time and those will be tabled separately. We are responsible for carrying out those tasks in a professional manner. You cannot abrogate the ultimate responsibility for ensuring that the financial information is compiled properly.
- 2.2. You will inform us if the information we compile is intended to be disclosed to any person or body and how they are expected to use it. This does not apply to:
  - 2.2.1. the directors, shareholders, trustees, partners or equivalent office holders of your enterprises as listed on the letter of engagement; and
  - 2.2.2. the Inland Revenue Department.
- 2.3. You confirm that we have authority to communicate with and obtain information from any third party if the information sought is relevant to our work.
- 2.4. You agree that CAANZ may have access to the records and information we hold that support our working papers. This is an essential part of CAANZ's quality assurance function. The likelihood that any particular engagement is selected is very small. All CAANZ employees and contractors are required to maintain the strictest confidentiality.
- 2.5. You will advise us if any of these terms are unclear / not what you deem to be reasonable and we will explain or redraft to ensure you are satisfied. See 1.12 above.
